

## Avoiding Loss of Directional Control on Landings

One of the most frequent incidents and accidents among pilots is loss of directional control on landing. This seminar may help you prevent a landing incident or accident - 7-9pm.

**Directions:** From Colonial Drive turn south on Rickenbacker Dr. Continue through the Fairgreen St intersection to the end of Rickenbacker Dr. and into the parking lot. Park in any available designated spot. Walk east to the Airport Administration Building.

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
